

Marketing Plan for

GOODWYN®

TEA

Blend for Good

Where we at?

STRENGTH

- Have more than 50 unique blends.
- Availability in 5+ countries
- Sturdy clientele base.

WEAKNESS

- Consumer loyalty towards competitive brands
- Rigid taste & preference

SWOT

OPPORTUNITIES

- Good Awareness Level - High demand for healthy & quality Tea
- The growing population of daily Internet users

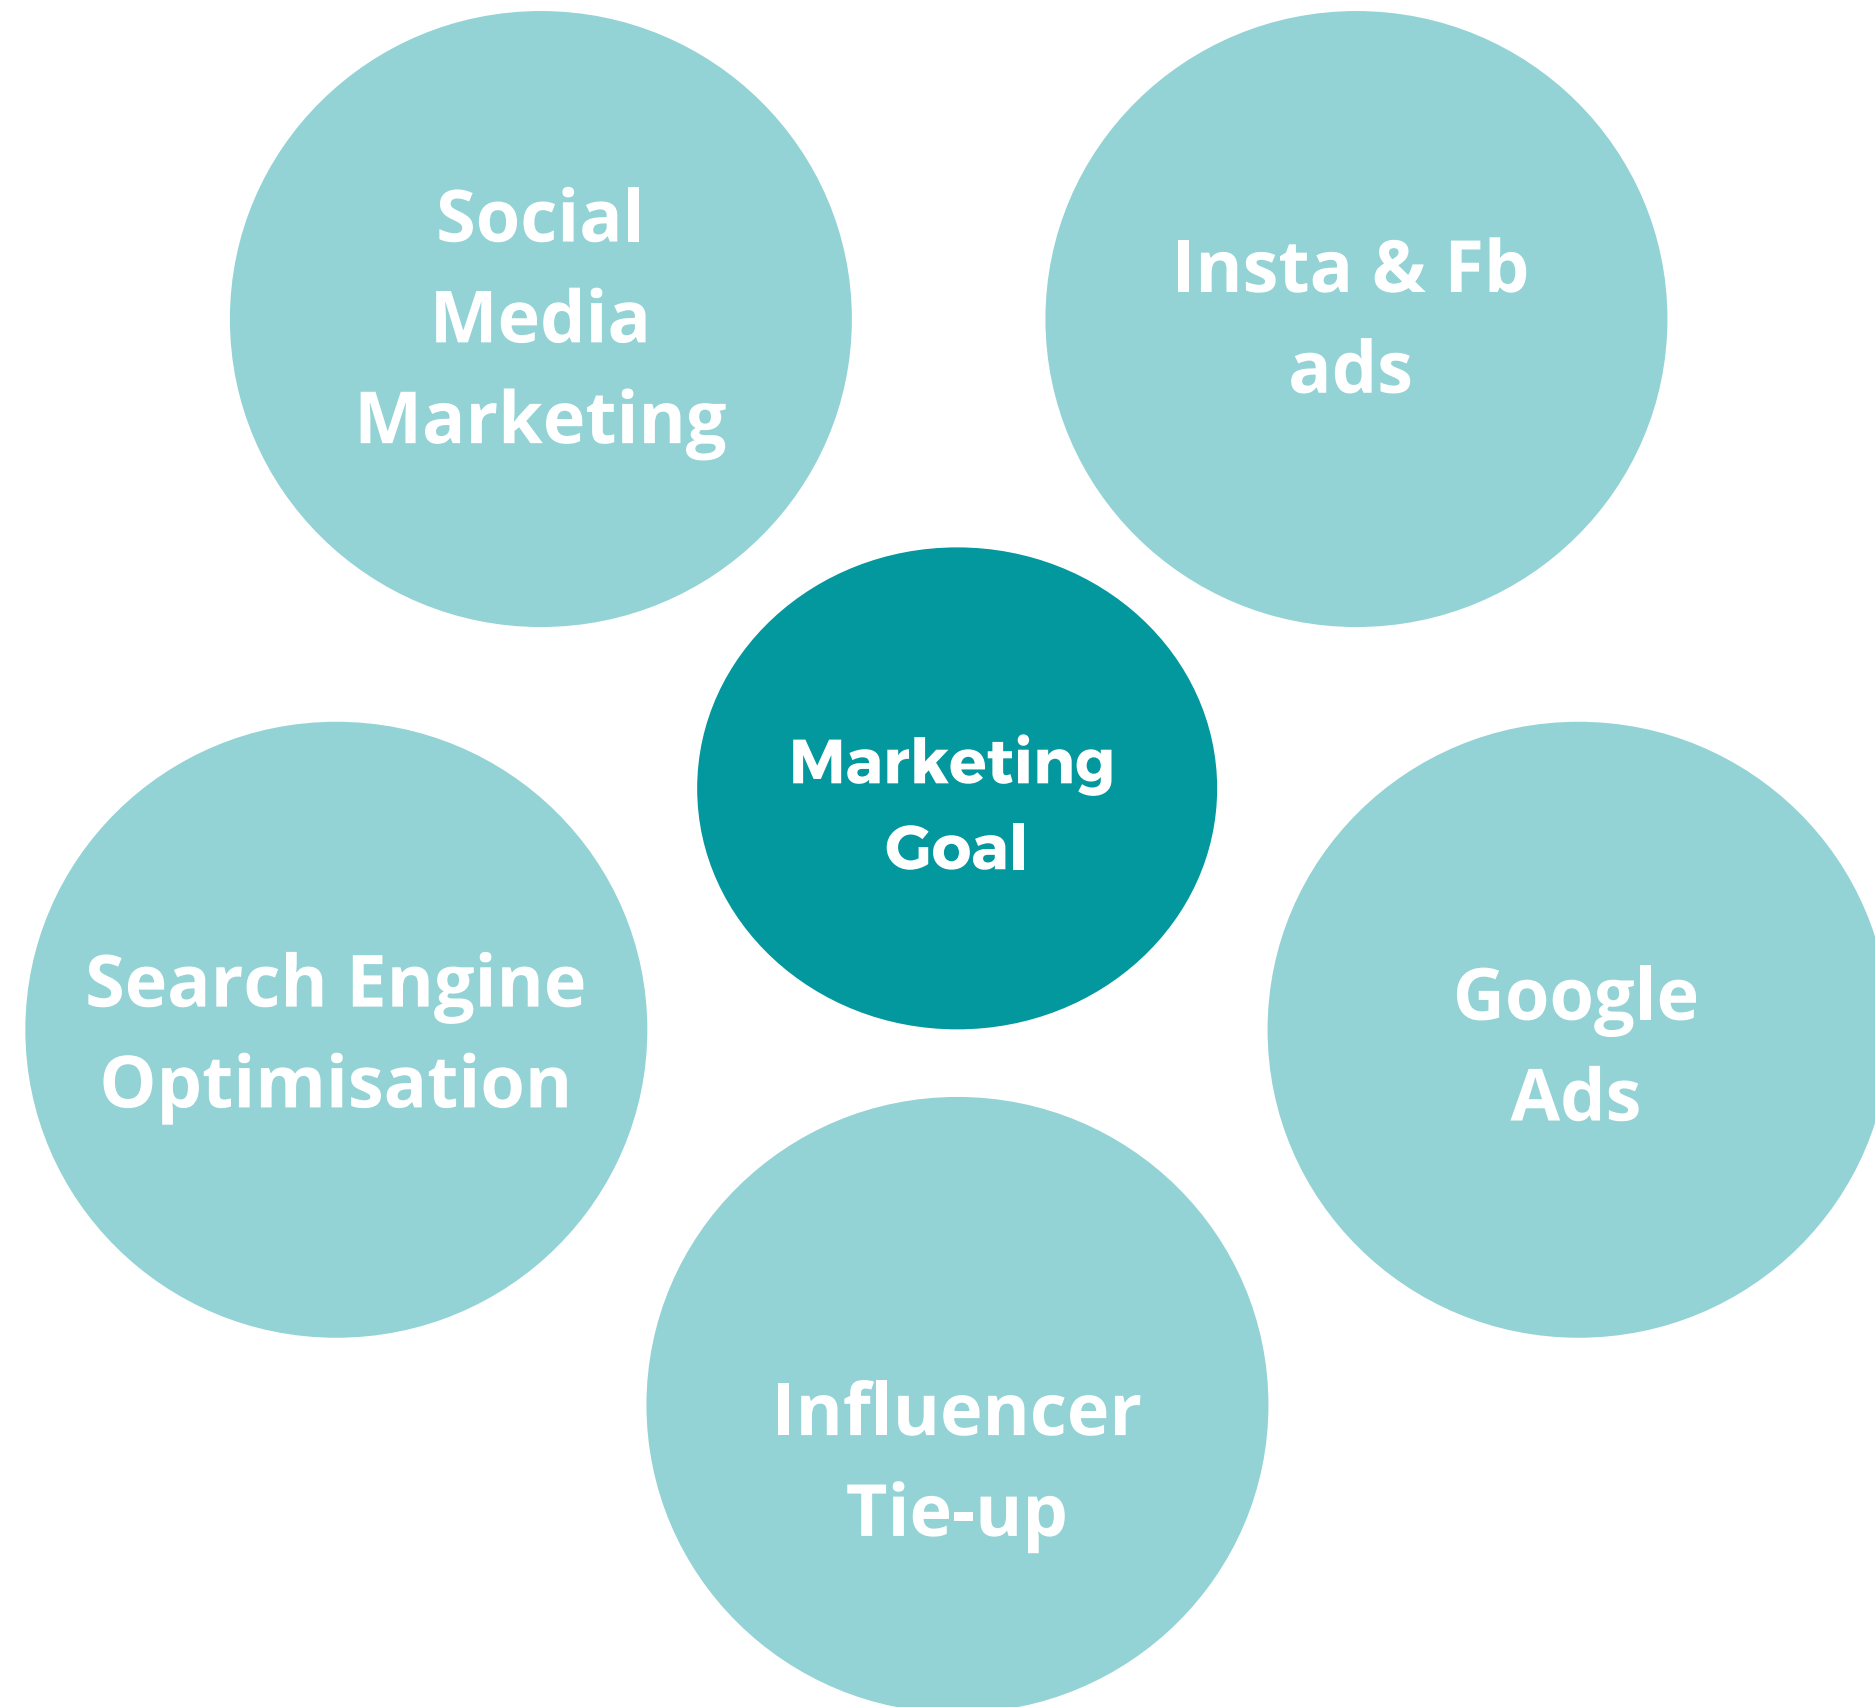

THREATS

- Large competitive market with difficulties in survival.
- A huge percentage of internet users are inclined towards aerated drinks

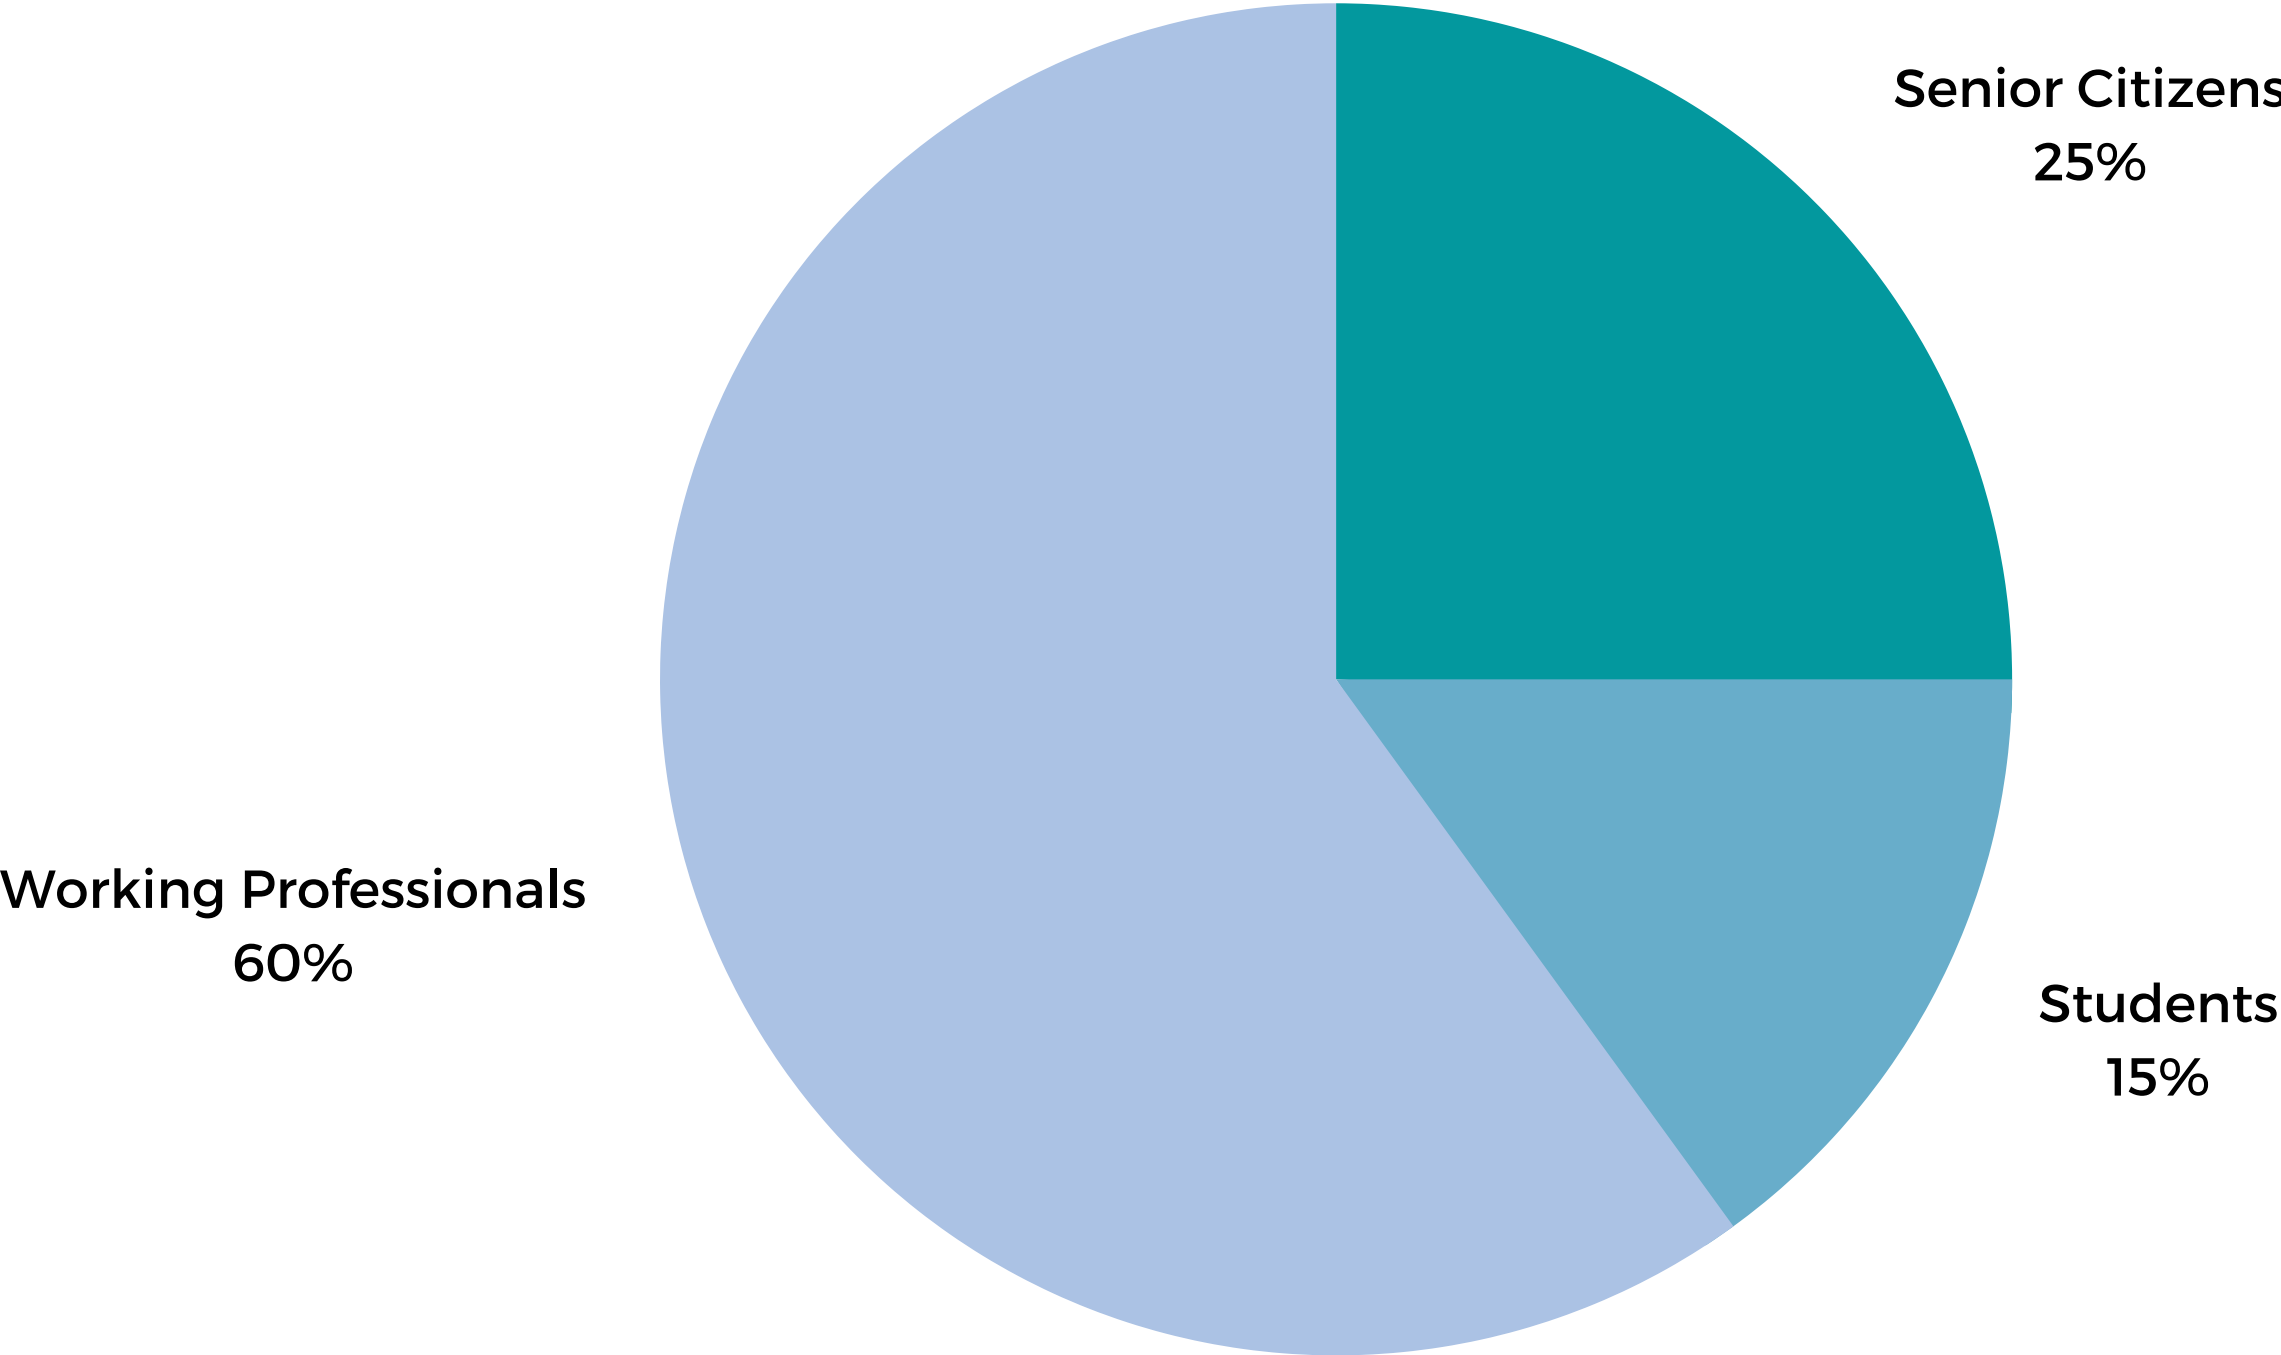

Where do we want to be?

- Creating **awareness** about our 50+ unique blends
- Positioned as one of the **largest tea producers in India**
- Broaden our current corporate clientele to **increase market penetration**

How do we do it?

Target Audience

Campaign 1

#NationalDrink

Campaign goal

Placing the product as the national drink, showcasing people from different parts of India uniting over their love for tea.

Campaign idea

People of different Indian origin, sitting around a round table and sharing their first chai experience

Campaign 2

#Chaiforeverymood

#___walichai

Campaign goal

Capitalising on the unique varieties of chai, that caters to every mood

Campaign idea

People in different predicaments (sleepy, tired, post-workout, stressed, romantic, excited) end up having chai as their go-to option. Where everyone has their own reason for sipping tea.

Example - **#Firstdatewalichai**

Campaign 3

#Thesweetsouvenirs

Campaign goal

To build goodwill we prepare premium gifting options for the sturdy clientele, to be offered as a token of gratitude. This serves as an advantage for our clients and our company to increase exposure.

Campaign idea

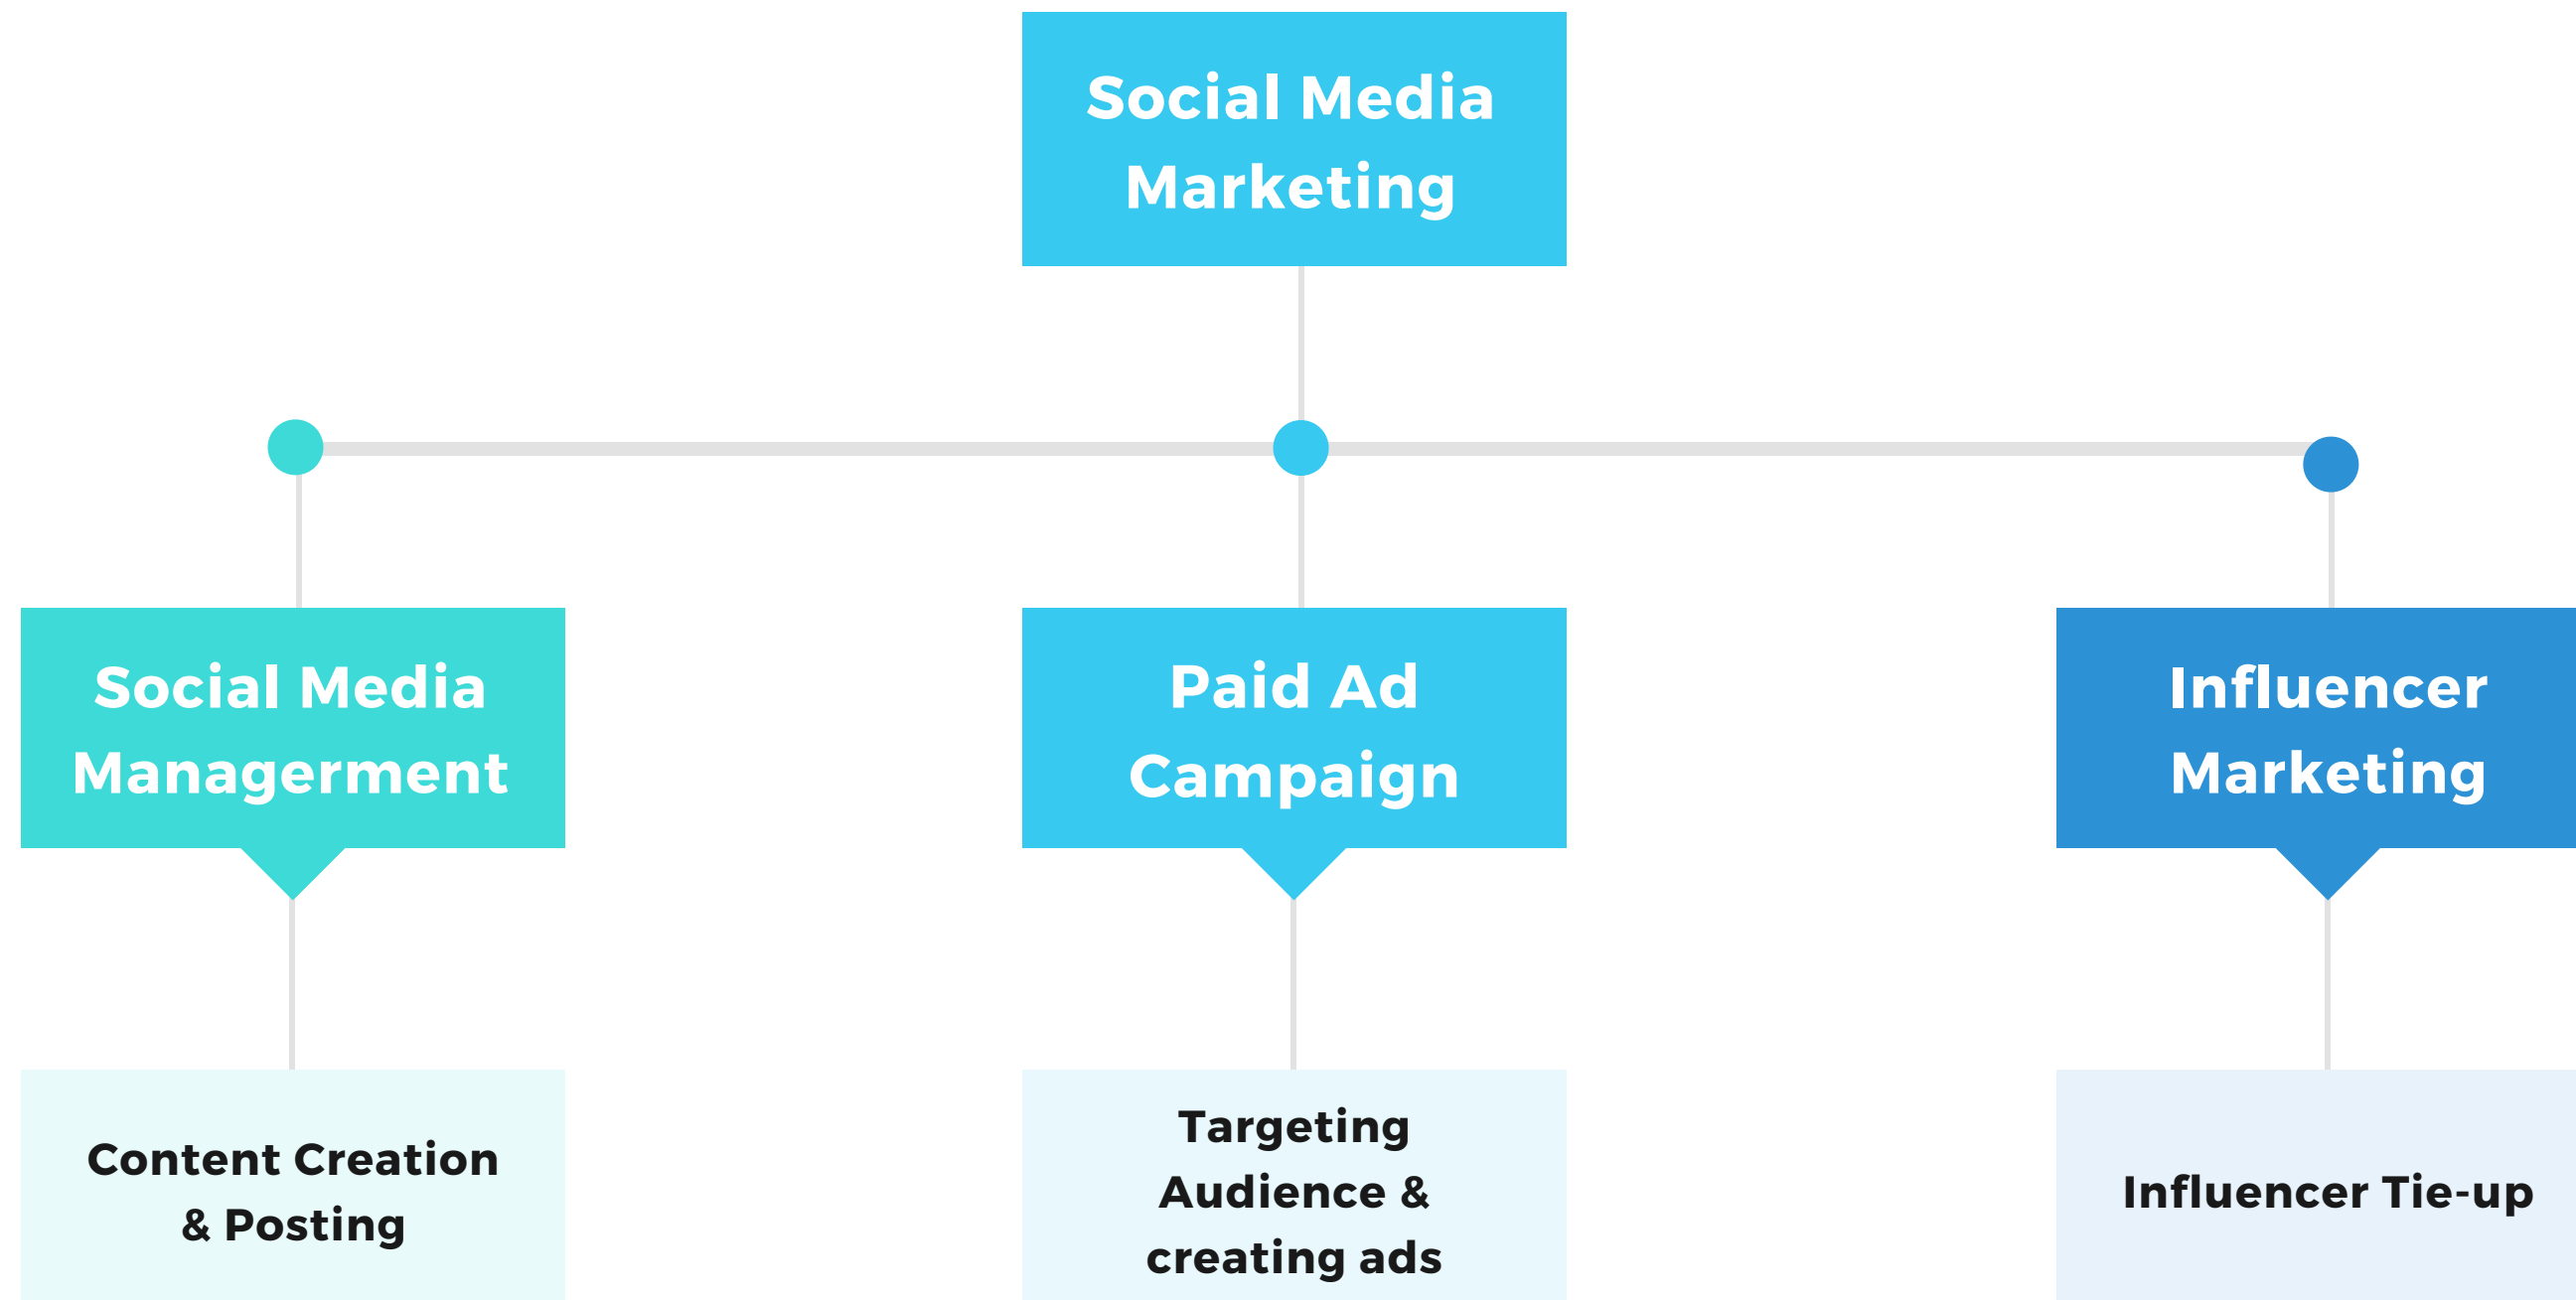

Companies that work with different clientele or employees, can leverage our premium gift boxes to solidify trust between both parties.

Examples: 5-star hotels hosting customers who have booked their premium suite will be provided with exotic flavours from Goodwyn and a personalized note.

#haveapleasantstay

Social Media Marketing

The use of social media and social networks to market a company's products and services. Social media marketing provides companies with a way to engage with existing customers and reach new ones while allowing them to promote their desired culture, mission, or tone.

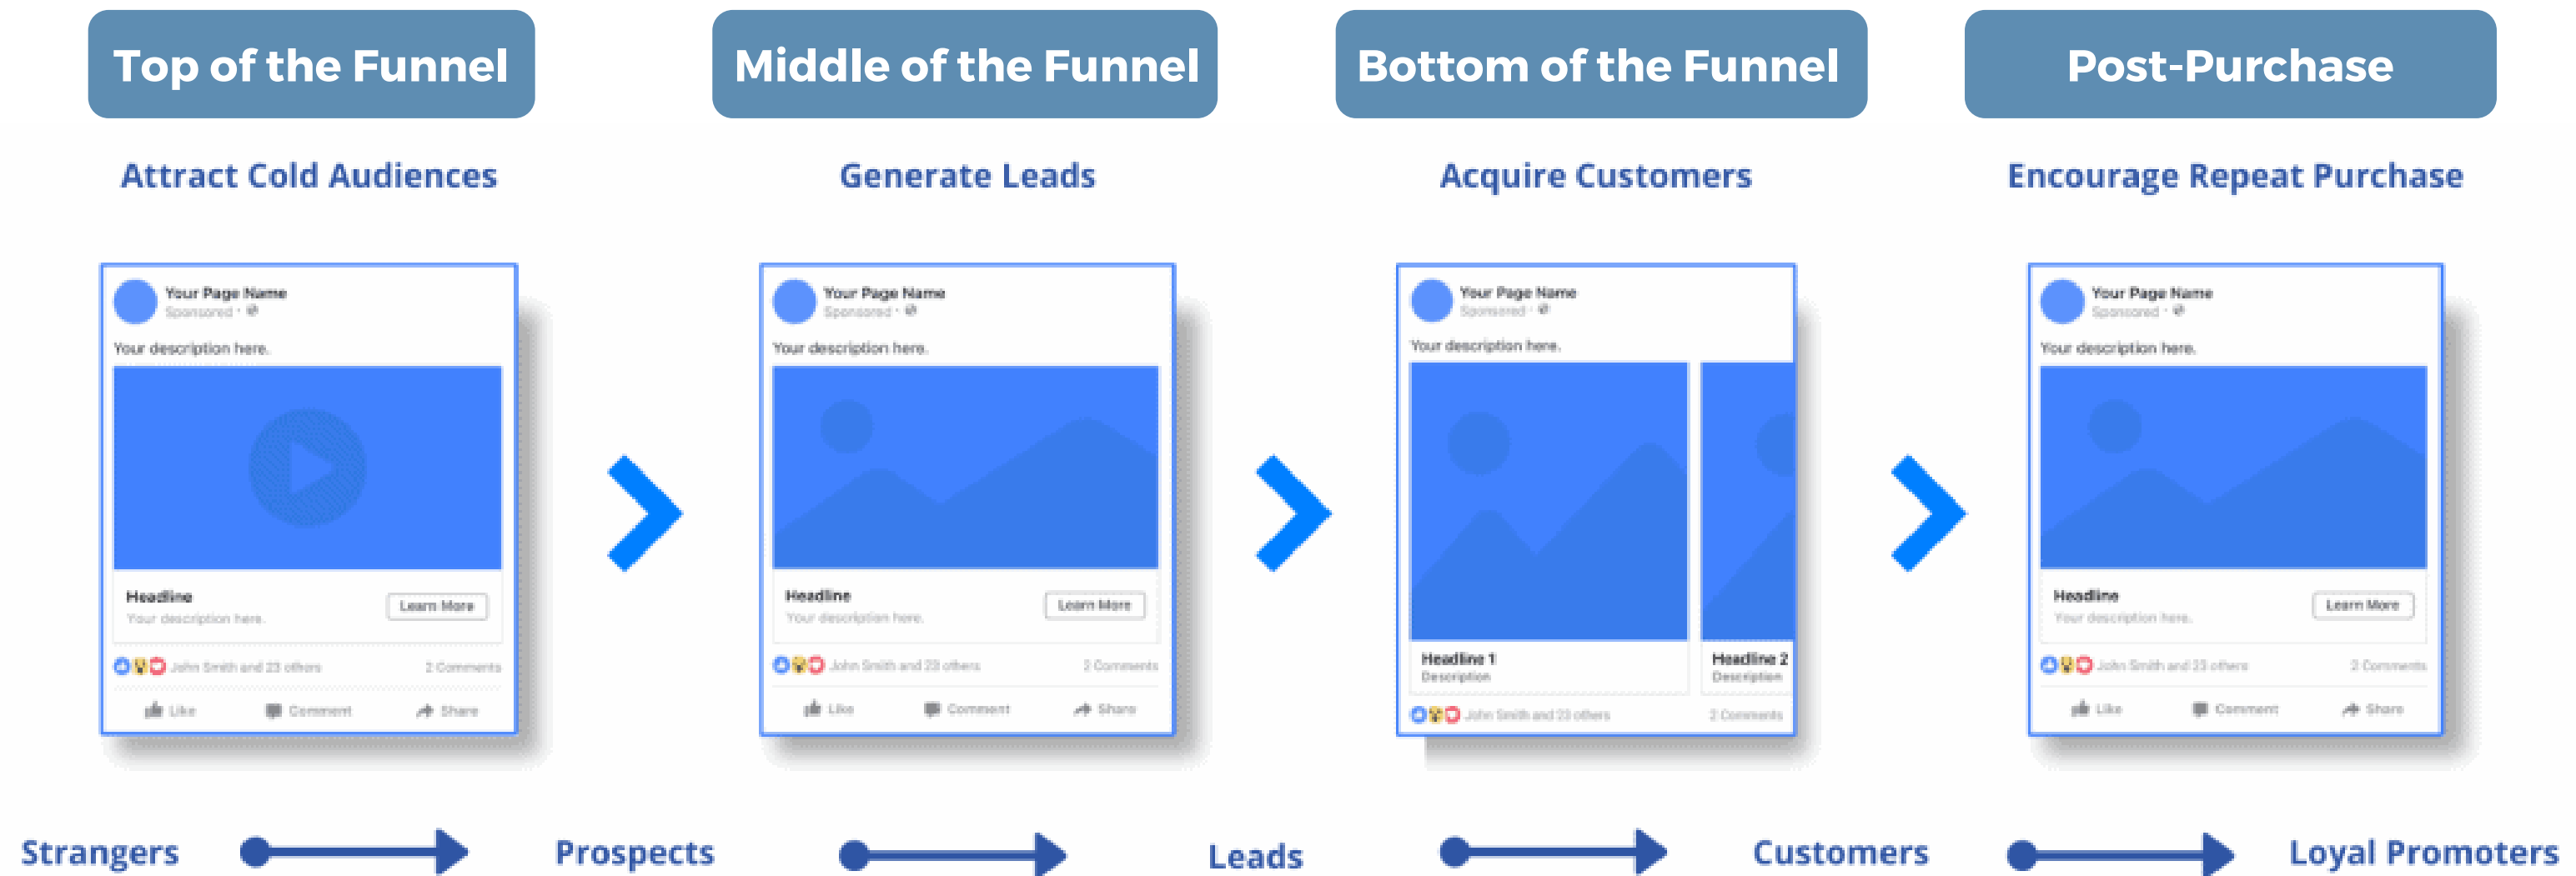

Fillers for social media

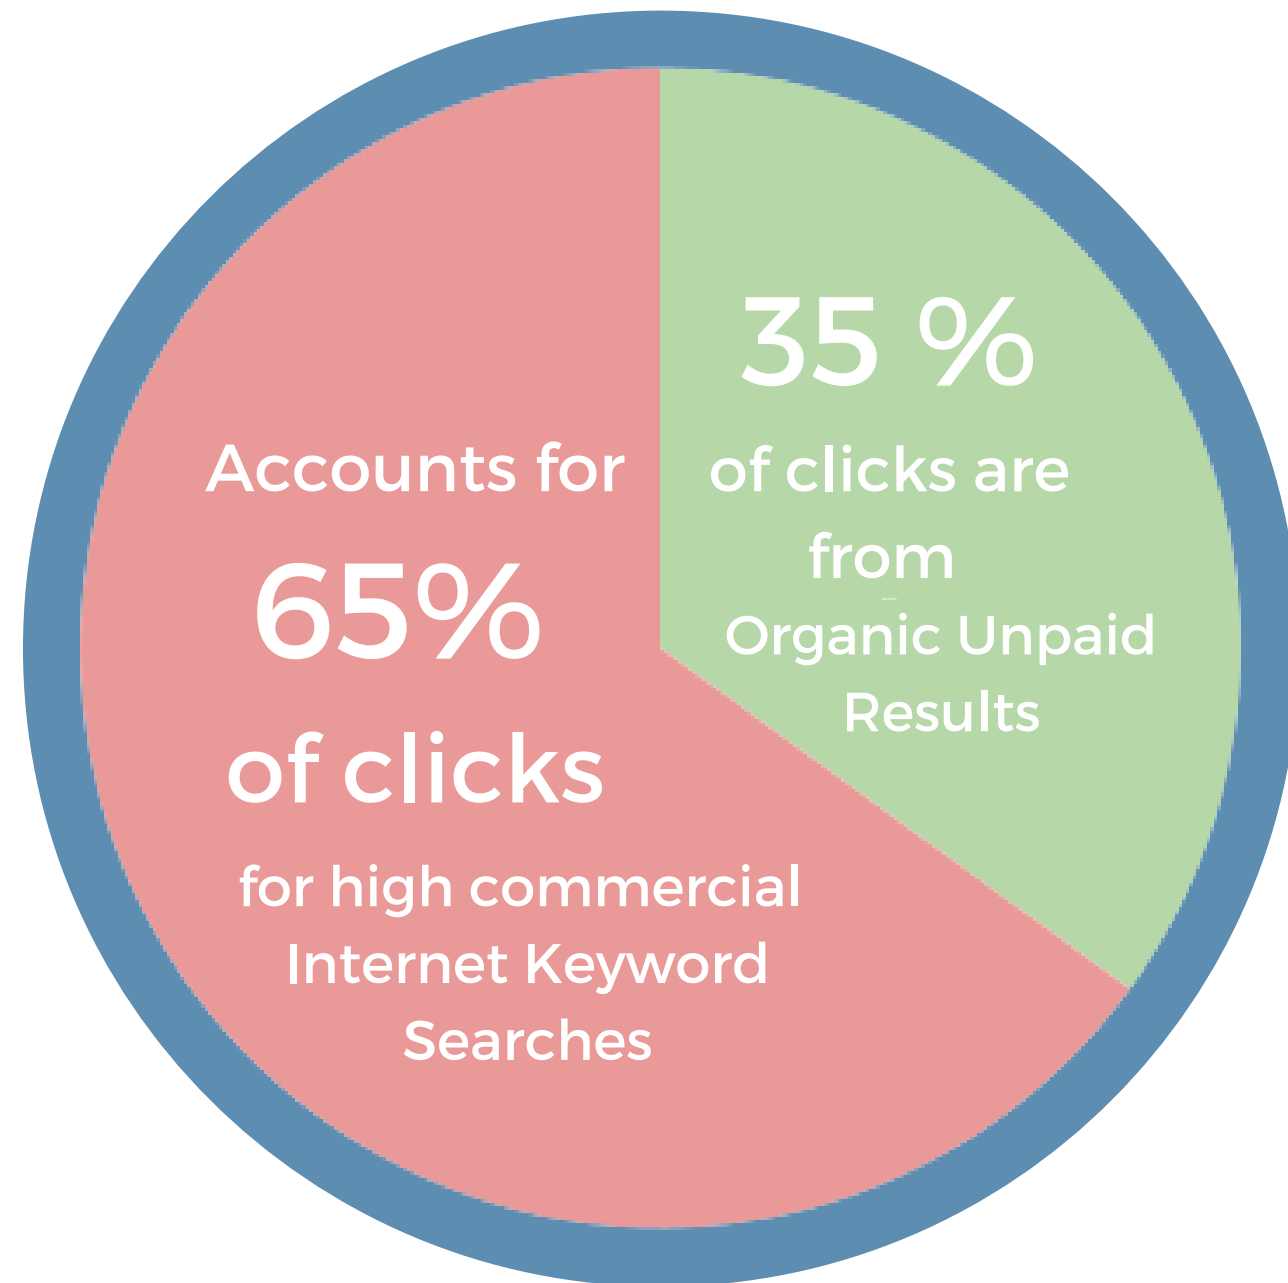

Instagram & Facebook Ads

On the basis of previous works, we perceive that **Instagram** & **Facebook** acquire a significant role in increasing website traffic, so we emphasise on dishing out a strategy to reap benefits of the same to the fullest.

Search Engine Marketing

Meet Your Customers when they are actively looking for your products on an engine

Advertising via the search engine is cost effective

Statistics can be gathered from web logs to determine the efficacy of the campaign

Google Ads

Google AdWords is a pay-per-click online advertising platform that allows advertisers to display their ads on Google's search engine results page. Based on the keywords they want to target, businesses pay to get their advertisements promoted. Below are various ad types.
